## BACK TO THE WORKPLACE LETS CONTINUE THE CHANGE

Our union now stands at a crossroads. The choice is clear.

It's either the old days of shady hotel developments and playing games within Labour, or continuing the workplace change our General Secretary is delivering.

You will decide what is important: The jobs, pay and conditions of Unite members, or a political faction more interested in the Labour Party than our union. Some tied to the old leadership have tried to attack our general secretary as she cleans up the union. Yet she has steadfastly delivered:

- **Over half a billion won as a result of successful disputes alone.**
- **Hundreds of millions more from negotiated settlements.**
- **No more blank cheques for Labour.**

**WE SUPPORT SHARON GRAHAM. CHANGE MUST CONTINUE**
